A message from Dr. Dennis Episcopo: Welcome to Palm Sunday at AAC

Palm Sunday is an important event in Easter Week. Matthew, Mark, Luke, and John all record this event in the Bible. This is an event that preachers often call the "triumphal entry." A more accurate chronology of the week actually puts the event on Monday, the second day of the week of Passover. Traditionally, Palm Sunday is a well-known moment in the life of our Lord when he enters the city of Jerusalem to all of the praise and hosannas of the people who are worshipping him as King and Messiah.

I hope you enjoy the service, and will come back for one of our Easter services where the message will be "Now What?"
