Dr. Dennis Episcopo

Once again, most of us will make some sort of New Year's Resolution this year: Eating smarter, exercising more regularly, reading more, spending less. Is change important? Yes. Will it happen in a simple moment of resolve? Probably not!

The transforming work of God in your life happens mostly in the mundane of living every day. We all live in "little moments." Little moments of obedience... Little moments of humble submission... Little moments of trusting God more. It's in these "little moments" that you'll find God at work changing you more like his Son every day. "We are being transformed into his image with ever-increasing glory" (2 Corinthians 3:18)
