Rev. Brian Episcopo

Titus 2:3-4a says, "Older women likewise are to be reverent in their behavior, not malicious gossips nor enslaved to much wine, teaching what is good, so that they may encourage the young women..."

Like any holiday, this one also is not easy for everyone. But one thing we share in common is this: we all came from a biological mom. Of all the ways God could have arranged humanity's repopulation, He chose this. Humanity must come into the world dependant on other humans to be created, grow, eat, and survive. We are born FROM community and INTO community. If this physical truth tells us anything spiritual, it is that we are made to be DEPENDANT on each other. Becoming a Christian includes being saved into a family with spiritual siblings, a Heavenly father, and in some ways, through the mentorship of others. God gives us "spiritual" moms and "spiritual" dads to grow and disciple us. You may not change the world...but you might be a "spiritual" mom to someone who does. Happy Mother's Day...spiritual or biological.
