Dr. Dennis Episcopo

Bill Hybel's book, *Just Walk Across the Room*, is a great "easy-to-read" resource for learning how to share your faith. It's very practical. He writes, "When you interact with people, keep your natural style in mind. When God challenges you to leave your circle of comfort, walk across a room, and enter the Zone of the Unknown, to discover someone's story. He wants you to show up, not someone you think you're supposed to be. Let the conversation ebb and flow in sync with your authentic self." That's great advice and it helps free us up so that we can talk naturally about our faith.
