Rev. Brian Episcopo

And now, O Lord, hear their threats, and give us, your servants, great boldness in preaching your word. (Acts 4:29)

Here you have Peter and John freed from prison and the very first thing they pray for includes a request for more...boldness? Boldness is what got them in to trouble in the first place! Of all the things I would pray for, boldness would probably not be on my list. Safety, wisdom, hope, health...but not boldness. It tells me that boldness was *that* important to these Christians. When was the last time you asked God for boldness to talk about your faith with people who need to hear it?
