Dr. Dennis Episcopo

At a big church it's easy to rush in with our blinders on, find seats in the sanctuary, and wait for church to happen to us. That's not what Jesus called us to do! The church is the Body of Christ, and each part of the body has a role and is "joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work." (Eph 4:16) Why not make an effort this morning to greet and connect with someone before you leave? You have the opportunity to do ministry right here, right now. Don't miss it!
