Dr. Dennis Episcopo

God loves children...all children. When Judy and I were new parents, we were very particular when choosing child care. We expected the babysitter to treat our kids with the same tenderness and care that we showed them. God feels exactly the same way about all of His children. He wants them found! (Luke 19:10)

Young kids...older kids...struggling kids...thriving kids...lonely kids...popular kids. God wants them all enfolded into the care and community of believers. That's why AAC is committed to always prioritizing our children, student, and young adult ministries.
