FASTING: FEASTING ON GOD

Rev. Mark Tegtmeier

It's hard to image summer in Wisconsin without a BBQ party and a spread of delicious food. Out of His creative goodness, God has given us taste buds so that we can enjoy many types of textures and tastes of foods that are sweet, sour, bitter, or salty. But like any of God's good gifts, we can turn food into an idol that can dominate us and become the center focus of our lives. Fasting is a way to reset our taste buds—to learn what it means to “taste and see that the Lord is good...” (Ps. 34:8 NIV). If you feel your appetite for food is stronger than your appetite for God, maybe it's time to consider fasting from a meal and use that time to pray and “feast” on the promises and truths of God's word. Your heart won't go away hungry!
