## Dr. Dennis Episcopo

The Bible says that older men should mentor younger men, and older women should mentor younger women. (I'll let you be the one to decide if you're in the "older" or "younger" category!) Here are some roles that spiritual mentors should **not** play:

1. The Messiah Complex - believes their purpose is to provide deliverance from struggles and pain.
2. The Problem-Solver - believes their role is to always give the **right** answer in every situation.
3. The Resident Expert - has wisdom-on-demand any time their opinion is needed.
4. The Assembly Line Worker - believes they can disciple a person by following a specific schedule and detailed system

Spiritual mentoring is more about trusting, encouraging, and building up, rather than providing answers and correction. (1 Thess 5:11)
