

# HERO MAKER

BEHIND EVERY HERO IS A HERO MAKER

## A Message from Rev. Brian Episcopo

Every one of us mine our confidence from someone or something. I'm tempted to mine it from my success or my good performance. Sometimes, I mine it from what what other people say about my performance. But none of those things are stable, dependable, or predictable because they depend on me or others. This is why the apostle Paul insists, "Such is the confidence that we have through Christ toward God," (1 Cor. 3:4). If our confidence is in what Christ did for us and what He can do through us, we have plenty of confidence to get us through anything.
